

READ ALL ABOUT IT

Engage your students or children with their local newspaper now and they'll be engaged for life. The Missouri Press Association's Newspapers in Education program offers activities for a variety of disciplines and grade levels.

October 2024

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
	GENERAL	LANGUAGE	MATH	SOCIAL STUDIES	SCIENCE	
29	30	1	2	3	4	5
	Discuss the different types of information found in newspapers, such as weather and food prices.	List all the different punctuation marks used in a newspaper article.	MLB Playoffs are coming. What is a magic number to make the cut and how is it calculated?	Use the newspaper to develop a list of local, national, international political, religious and military leaders.	Make a list of science discoveries with articles about recent "firsts" in any scientific discipline.	
6	7	8	9	10	11	12
	Read the editorials and letters and determine what was fact and what was opinion.	Find pictures in the paper that show different facial expressions. Label each with descriptive words.	Compare attendance information from your favorite teams in different leagues. What do you think the reasons are for any big differences?	Hispanic Heritage Month ends soon. Look for place names or words in the newspaper that have Spanish origins.	Read articles about home fires to find information on measures that can be taken to lower the risk factors.
