

# Tales of Marvelous Missouri

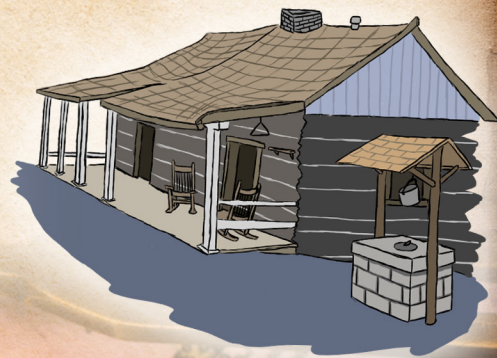

When Molly and her family go to Silver Dollar City, she expects roller coasters, rides, lemonade and fun. She gets all of that and something unexpected. From an encounter with an older employee, Molly comes away with a deeper love of the area's history and an insight into how Missouri came to be settled. Accompanied by a multi-discipline Teaching Guide, *Tales of Marvelous Missouri* is sure to engage your readers at home and students at school.
