

Tales of Marvelous Missouri

When Molly and her family go to Silver Dollar City, she expects roller coasters, rides, lemonade and fun. She gets all of that and something unexpected. From an encounter with an older employee, Molly comes away with a deeper love of the area's history and an insight into how Missouri came to be settled. *Tales of Marvelous Missouri* is sure to engage readers at home and students at school.

Brought to you by the National Newspaper Association Foundation, Silver Dollar City, Branson Convention & Visitors Bureau, and the Missouri Press Foundation to engage readers with their community newspapers in 2020.
