

NEWSPAPERS IN EDUCATION WEEK 2024

MARCH 4-8

Celebrate with fun activities like these:

Monday, March 4 – General Newspaper – Using articles as a guide, role play and conduct a newspaper interview.

Tuesday, March 5 – Language Arts – Write an editorial based on a local concern.

Wednesday, March 6 – Math – Create incomes and budgets, then use the newspaper to see if these are realistic.

Thursday, March 7 – Social Studies – Create a comic strip based on your area's geography or history.

Friday, March 8 – Science – Use science words from the newspaper to create a crossword puzzle.

If you have questions or would like additional NIE content or resources, please contact your local community Newspaper.

The Missouri Press Association
proudly joins the American
Press Institute in celebrating
Newspapers in Education

Week annually
the first full
week in March.
