An Adventure in Arrow Rock

This 8-chapter Newspapers in Education series is a continuation of one of Missouri Press's most popular series, *Night at the Capital*. That story introduced Charlie, a young student on a field trip to Missouri's capital in Jefferson City. He managed to leave the tour and began meeting historical ghosts who helped him solve a longstanding mystery. In this new story, Charlie is now a history teacher taking his students on a field trip to Arrow Rock, Missouri. Arrow Rock is a historic village on the Oregon and Sante Fe trails. With Charlie involved, you know there will be ghosts and hijinks.
